**Welcome to this virtual public consultation event for our proposed residential development of circa 85 high quality homes, including 40% affordable homes, on land at the Warwickshire Police Headquarters. To ensure we can provide a safe and inclusive consultation, we are undertaking a virtual exhibition of our draft plans. Thank you for taking the time to view it.**

### ABOUT CALA HOMES

CALA Homes is a major UK house builder focused on building well-designed, high-quality homes, in prime locations throughout the South of England, the Midlands and Scotland. CALA has been awarded the maximum 5 Star rating in the Home Builders Federation's National New Homes Customer Satisfaction Survey 2021, for the fourth year running.

We differ from other homebuilders by focusing on delivering exceptionally designed homes and communities in highly desirable locations. CALA adopts a consultative approach to design and planning activities that engages local communities, interest groups and local authorities.

We have been engaging with the local council and political stakeholders to help ensure we bring forward exciting plans to provide housing in this area. We are now asking for your comments. From members of the local community to the politicians that represent you, we want to hear your views. These thoughts and ideas will help shape our plans before we submit our planning application to Warwick District Council.
